Dear Professor Butler

### Spinal Cord Injury Research Grants Program 2019/20

I am pleased to advise that your application to the Spinal Cord Injury Research Grants Program has been successful. Your project, '*Therapeutic acute intermittent hypoxia: developing a novel treatment to restore voluntary function after spinal cord injury*' will receive funding of \$1,513,000 (exclusive of GST) over five years, commencing in June 2020 subject to reaching agreement on funding terms. We request the institute and investigators keep this information strictly confidential until an official announcement is made or until further notice.

Attached is the Funding Agreement between your administering organisation and the Health Administration Corporation as represented by the NSW Ministry of Health. Please return the signed copy of the Agreement to Ranjini Ganendren at: [Ranjini.ganendren@health.nsw.gov.au](mailto:Ranjini.ganendren@health.nsw.gov.au) by **29 June 2020**. A copy of the agreement signed by both parties will be returned to you for your records.

The Office for Health and Medical Research will be organising a forum of all successful applicants to discuss the projects funded under this grant program. We will provide further details about this soon.

Should you have any questions, please contact Ranjini Ganendren at the Office for Health and Medical Research on 02 9391 9910 or [Ranjini.ganendren@health.nsw.gov.au](mailto:Ranjini.ganendren@health.nsw.gov.au).

Yours sincerely

Sarah Thackway  
A/Deputy Secretary Population and Public Health
