Dear Mr Harries

Thank you for applying for the Information, Linkages and Capacity Building (ILC) – Economic Participation (EP) grant opportunity 2020-21. I am pleased to advise your application for funding has been successful, and you will be offered a grant of \$491,220.00 (GST exclusive) to provide the services.

The Government welcomes you in sharing our commitment to improving work readiness of people with disability, increasing employment support networks and improving willingness and capability of employers and organisations to employ people with disability.

The Department of Social Services Community Grants Hub will contact you shortly with further information including a Grant Agreement outlining the Terms and Conditions of funding, and a schedule that details the activity. I request you treat this offer as confidential until a grant agreement has been finalised.

It's important you are aware grant funds are only assured at the point a grant agreement is executed. For this reason, I strongly encourage you not to enter into any commitments for the use of these funds before a grant agreement is finalised.

If you have any questions about this letter please contact the Community Grants Hub at support@communitygrants.gov.au.

Congratulations on your application and I trust your grant opportunity will be a success.

Yours sincerely
