Monday 9th November

07:00	Lonza/PeproTech Breakfast Session
08:00	Registration
08:30	Plenary I: Basic Biology of Pluripotent Stem Cells & Differentiation
10:00	Morning Tea
10:30	Concurrent Session IA: Bioengineering Tissues
	Concurrent Session IB: Epithelial and Mesenchymal Stem Cells and Development
12:00	Lunch
14:30	Concurrent Session IIA: Mixed themes
	Concurrent Session IIB: Stem & Derivative Cell Epigenetics
16:00	Afternoon Tea
16:30	Concurrent Session IIIA: Neural Stem Cells and Development
	Concurrent Session IIIB: Stem Cells & Cancer
18:00	Poster Session (Including Rapid Fire)
19:00	Conference Dinner

Tuesday 10th November

08:00	Registration
08:30	Plenary II: Stem Cells and Clinical Translation
10:00	Morning Tea
10:30	Concurrent Session IVA: Stem Cell Companies - More than One Way to get to the Market Place
	Concurrent Session IVB: Haematopoietic Stem Cells and Development
12:00	Lunch
	Junior Investigator Day Event
13:00	ASSCR AGM
14:00	Plenary III: Disease Modelling
15:00	Conference Awards Presentations
16:00	Buses depart for Sydney Airport
