Australian Awards for University Teaching 2021 Citations for Outstanding Contribution to Student Learning

Dear Connected Curriculum Team

It is my great pleasure to inform you that you have been awarded a Citation for Outstanding Contribution to Student Learning as part of the Australian Awards for University Teaching (AAUT) program.

In receiving this Citation, you have been recognised as being among Australia's most exceptional university teachers. You have demonstrated an outstanding contribution to student learning through your dedication to quality teaching. Your work is valued highly by your students, university and Australian Government.

I congratulate you for enhancing the quality of learning and teaching in higher education, and for your dedication to enriching and improving the learning experiences of your students.

We acknowledge the work of your entire team including:

Dr Morwenna Kirwan (Team Leader)
Associate Professor Verity Pacey

Professor Catherine Dean
Dr Kelly Gray

Ms Alexandra Bhatti

Overall feedback for your nomination

"An innovative curriculum was developed to break down silos between disciplines within a Health Faculty which has been adopted in courses outside the faculty and institution. Student and staff support of the CC initiative is positive based on analytic data which supports student uptake/engagement and based on staff qualitative feedback. There is recognition for the development of the CC initiative including acceptance and presentation off CC at local and international conferences."

Yours sincerely
