

# KARP Virtual Roundtable ENERGY AND ENVIRONMENT

**26 August 2022**

This roundtable will explore **Korea-Australia cooperation on renewable energy and the environment** from the perspective of industry and community leaders, academic researchers, and environmental activists. The discussion will focus on how **government support** for renewable energy cooperation can also promote closer people-to-people exchanges and understanding.

## PARTICIPANTS

This project is made possible thanks to generous funding from the Korea Foundation (Republic of Korea Ministry of Foreign Affairs) as well as support from the Australia-Korea Foundation (Department of Foreign Affairs and Trade, Australia).
