# Course Reaccreditation Review Panel

## Commendations

### Bachelor of Commerce

# Commendations for the Course

1. The Course Director's leadership in driving innovation, industry engagement, and student-centred learning into the BCom and its learning outcomes
2. Effectiveness of the new BCom capstone unit in enabling collaboration across interdisciplinary cohorts
3. PACE programs across the BCom delivering work-integrated learning opportunities
4. Integration of industry-relevant tools across BCom units (e.g., Xero-based assessments in first-year accounting units)
5. BCom majors that cater towards contemporary and in-demand skills (e.g., Cyber Security Governance)
6. Elevation of the BBA and BCom programs, and their leadership teams, as flagship programs within the Macquarie Business School

# Commendations for the Course (cont.)

7. New program governance structure within the Business School, particularly the 1:10:30 model
8. The allocation of funding for BCom events that centre on building a cohort/community
9. Teaching staff across the BCom program for pivoting to innovative virtual learning and teaching methods during the Covid-19 pandemic
10. Support provided by MQBS to BCom teaching staff to enable quick implementation of online learning during the Covid-19 pandemic
11. Outstanding first-year experience delivered by Macquarie University College, particularly around student wellbeing and holistic learning support
