

24th June 2024

LETTER OF CONFERENCE TRAVEL BURSARY AWARD

Dear Leticia Amaral Correa,

The ANZBACK Executive Committee is pleased to inform you that you have been selected to receive a \$1,000 conference travel bursary (or \$1500 for NZ applicants) to attend the 2024 ANZMUSC Annual Scientific meeting in Adelaide.

To access this funding, please send an invoice for the full amount through to the ANZBACK email account (lbp.cre@sydney.edu.au). The invoice should be addressed to the University of Sydney as the seed funds are paid from an ANZBACK CRE account at the University of Sydney. Upon receipt of the invoice funds will be transferred to the administering institution. Please ensure that invoices are received by the University of Sydney prior to 1st September 2024 to ensure they can be paid from the current ANZBACK budget. Invoices received after this date will not be guaranteed to receive funding.

It is unlikely that funds will be transferred in time for you to make early registration at the conference or travel/accommodation bookings and so it is recommended that, where possible, you use other funds for these payments and then reimburse that money with this award.

We look forward to seeing you in Adelaide.

Regards,

Professor Chris Maher

Chair, ANZBACK Executive Committee
