Dear Dr. Mukhopadhyay,

It is with great pleasure that I am sending you today this letter appointing you as a Distinguished Lecturer of the IEEE Sensors Council for the period 2017-2019.

You have been selected among several outstanding candidates by the Distinguished Lecturer Committee of the IEEE Sensors Council based on your reputation, your experience, and the relevance of your proposed topics for the Sensors community.

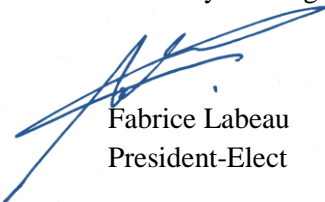

As an IEEE Sensors Council Distinguished Lecturer, you will be listed on the council website, and will be expected to actively seek out lecturing opportunities in relevant communities, in accordance with the IEEE Sensors Council Distinguished Lecturer Program Policies, which are available on the Council website (<http://ieee-sensors.org/dlp/>), and are appended to this letter for reference. If you have any questions on the policies or their implementation, please do not hesitate to contact me.

In order to publicize your status as a DL on the Council website, I would appreciate it if you could send the following information to Mr. Matthew Betz ([mbetz@CONFERENCECATALYSTS.COM](mailto:mbetz@CONFERENCECATALYSTS.COM)) by email at your earliest convenience:

- A headshot;
- Name, title and affiliation as you want them to appear on the website;
- A URL linking to a website with your contact information;
- Updated title and summary for one or two proposed lecture topics.

On behalf of the entire IEEE Sensors Council AdCom, I want to take this opportunity to thank you in advance for the work you will be accomplishing in the coming three years to promote the field of interest of the Council.

With my best regards,

Fabrice Labeau  
President-Elect
