Dear Mrs Browning,

I write to commend you on your PhD thesis, "***Collaboration and Prospective Memory: Costs, Benefits, and Helpful Processes for Strangers and Intimate Couples***".

All three examiners recognised your work as being of an exceptionally high standard, and I warmly congratulate you on this achievement.

You are a credit to this University and I am delighted that we have been able to support you in your studies. I am certain that greater achievements await you, and I hope that we may continue to play a part in your success.

With warm good wishes,

S. Bruce Dowton
