Roger Moser  
Senior Lecturer  
Department of Management  
Email: roger.moser@mq.edu.au  

**Biography**  
Dr. Roger Moser is an entrepreneurial scholar working at the interface between academia & industry. His research focuses on how senior executives improve their decision making based on the concept of "Decision Intelligence". In particular, he researches how senior executives use small data and big data to improve their "Framework Proficiency" and extend their "Intelligence Access".
