Biography
Dr Bates Gill has a 30-year career as a scholar, policy advisor and author, focusing on Asia-Pacific politics, foreign policy and security, with a particular focus on China and U.S.-China relations. He has held leadership, research and academic positions with some of the world's leading institutions and universities, including the Brookings Institution, the Center for Strategic and International Studies, the Stockholm International Peace Research Institute, Johns Hopkins University, the University of Sydney, and the Australian National University.

He has published eight books and over 150 other publications, including most recently *China Matters: Getting it Right for Australia* (Black Inc/LaTrobe University Press, 2017)(with Linda Jakobson). His current research projects include a focus on China's foreign policy under Xi Jinping to be published as a major book with Oxford University Press in 2022.
